Office of the Director of Civil Supplies

From

C. Ranganatha Rao Sahib, Esq., B.A., B.L.,
Director of Civil Supplies and Controller of Prices in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

S i r ,

I have the honour to submit that complaints have been received from some parts in the State that some of the Sub Agents have not always been effecting an equitable distribution of the supplies of kerosine oil they have been receiving, among all the licensed dealers living within their respective jurisdictions. As a consequence of the neglect on the part of the Sub Agents to effect a proper distribution of oil, the consuming public in rural places far away from the agency stations occasionally find it difficult to get oil at the license rates. To overcome this defect, it is proposed to appoint -- control committees at the several agency stations and to make these primarily responsible for a fair distribution of the supplies of oil received by the local Sub Agents. I learn that such Committees entrusted with this task are working satisfactorily in many of the provinces in British India and particularly in the Central Provinces.

2. When the defect alluded to above and the remedy suggested were brought to the notice of the chief mineral oil companies in Madras and Bombay, my proposal met with their approval. They have however left it to us to appoint control committees wherever it is felt necessary to have their existence. Subsequently the matter was referred to the Hon: Presidents of the City Municipal Councils at Bangalore and Mysore and to the Deputy

4

Deputy Commissioners of the several districts in the State. They were requested to let me know if the situation in several places with regard to kerosine oil was satisfactory and whether it required the appointment of Control Committees and if so to suggest the names of the Gentlemen to sit on the Committees.

3 I have been at present asked by the Deputy Commissioner, Hassan District, to establish a control Committee at Arsikere, the Agency station in that District. He has further suggested the names of the Gentlemen to form the Committee. I therefore request that the necessary sanction of the Government may kindly be obtained for the appointment of a Control Committee at Arsikere consisting of the gentlemen mentioned by the Deputy Commissioner, Hassan District.

I have the honour to be,

S i r ,

Your most obedient servant,

K H Ramayya

Asst. Director of Civil Supplies,
